

Your guide to the
Inner World of Autism

An autistic Singaporean, Eric Chen, reveals autism's secrets in his limited edition book "Mirror Mind"

"Mirror Mind" consists of poems, a short story & part of Eric's theory of autism.

• Eric Chen • <http://iautistic.com> •

What is human?

What is it like to have a human body, a human mind, but not a human heart?

Autism.

The mysterious thief of children's hearts.

An autistic who recovered his heart offers a glimpse.

Having Autism

Why family?
Huh? What?

What are
feelings?

What a
pathetic
body

Being Human

Likes friends & family
Speaks easily

Dancing with
feelings

Living in
one's body
with ease

Psychiatrists try to erase autism

Psychologists speculate about autism

Professors make theories on autism

Autistics tell you about their differences

Let me share something else

About what it is like to be human

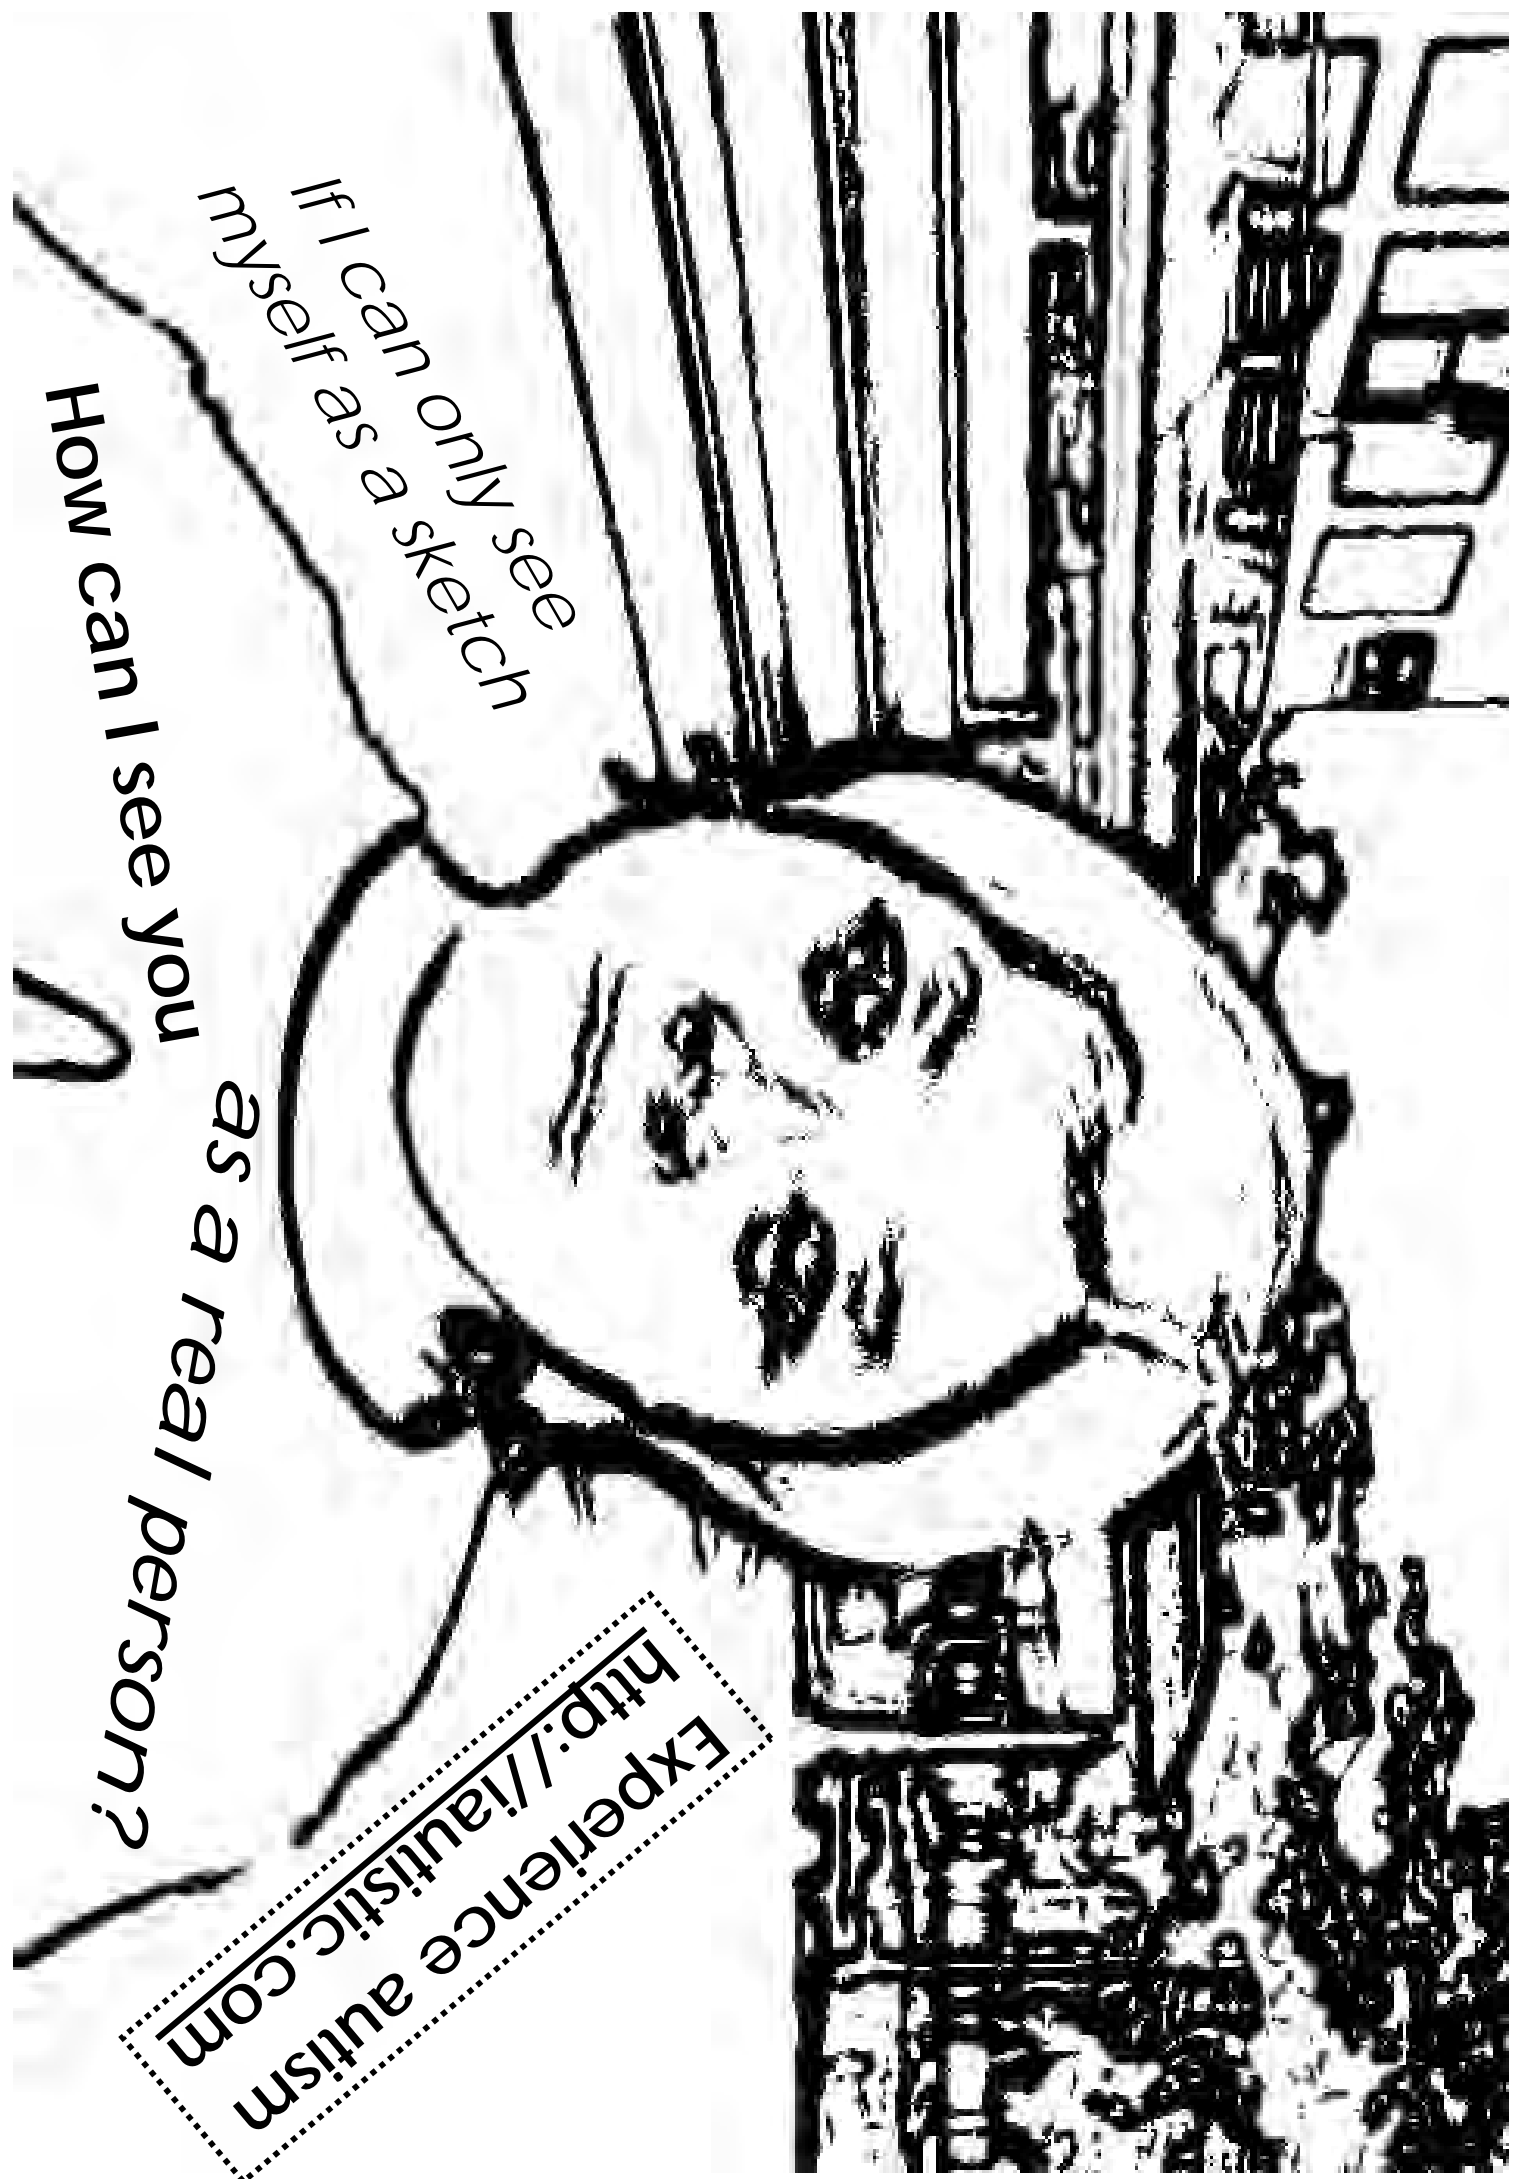

From an autistic's perspective

<http://iautistic.com>

If I can only see
myself as a sketch

How can I see you
as a real person?
