

i autistic

Desperately
pretending to be normal

'Zong' (中) Autism Campaign Ad. #01: "i autistic"

Not that I wanted to be different, but that I was only trying to be normal.
Trying really hard. But it never worked.

People suffocate me

'Zong' (中) Autism Campaign Ad. #02: "Suffocation"

People were but senseless burdens to me, demanding my attention and time, distracting me from my important projects. I prefer to be alone.

<http://iAutistic.com>

All people are the same
They are me

'Zong' (中) Autism Campaign Ad. #03: "Me"

If only everyone sees as I see, knows as I know and thinks as I think.
If only everyone is the same as me. People are just too complicated.

<http://iautistic.com>

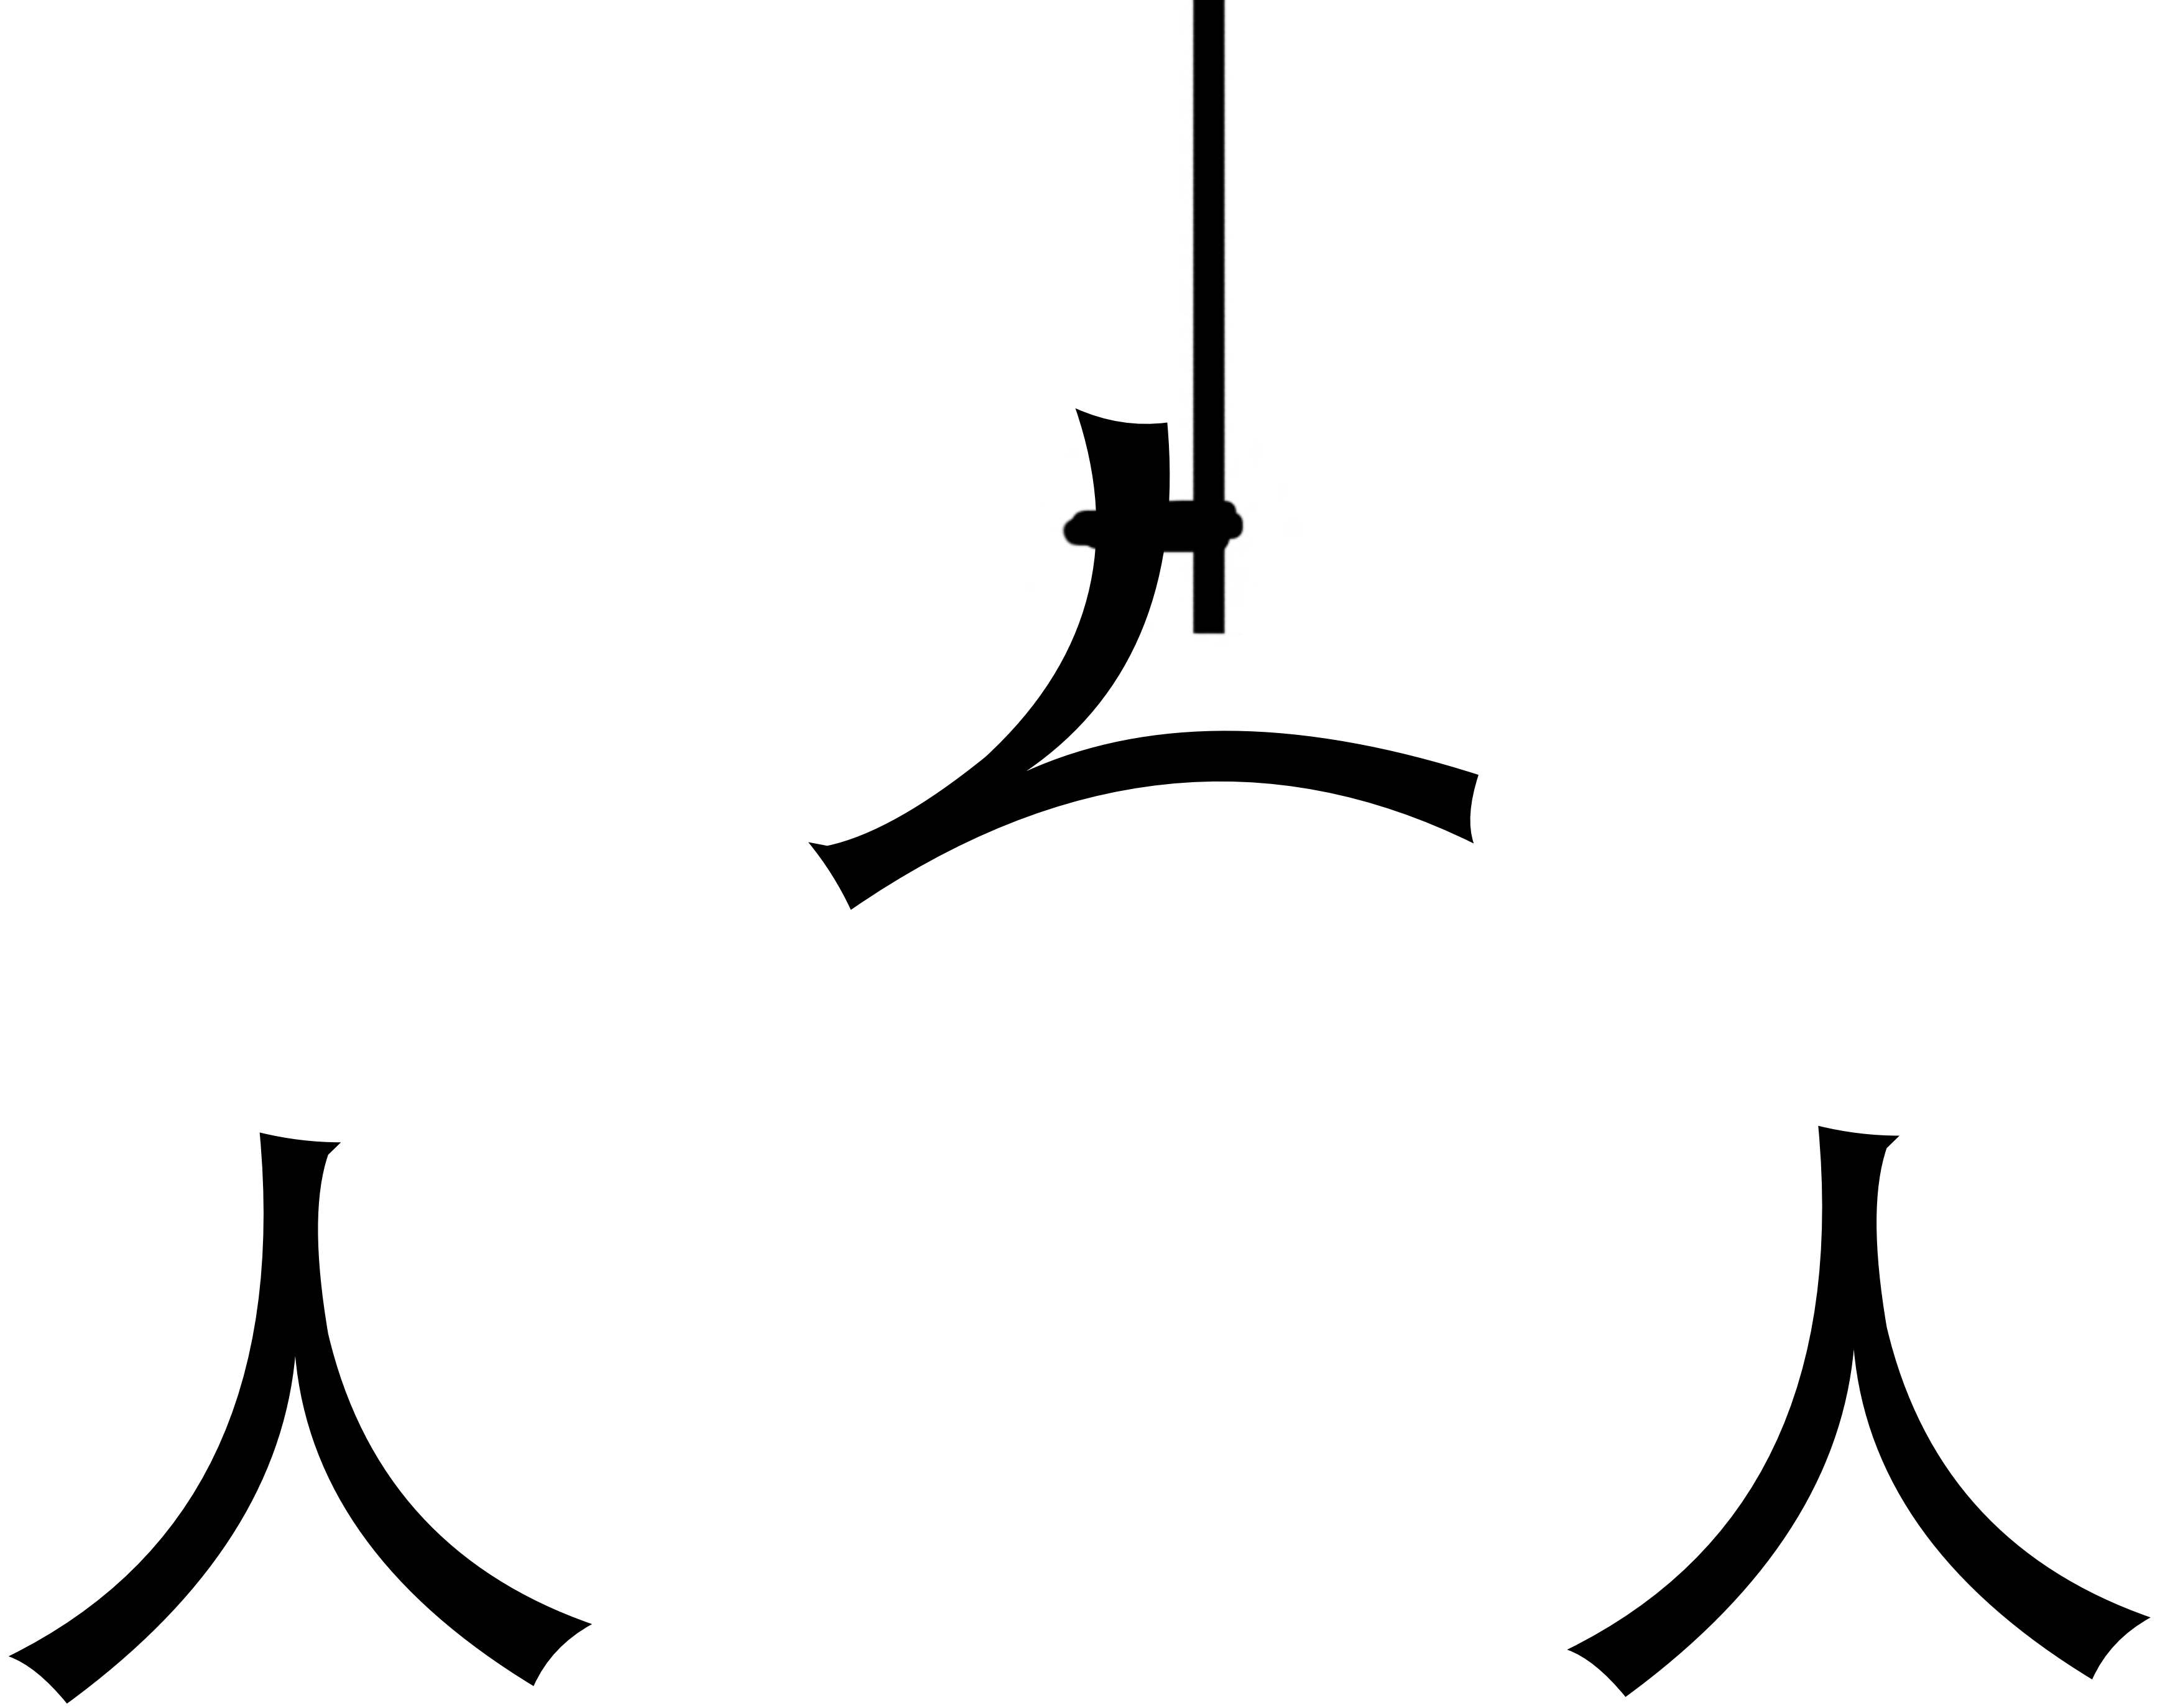

I prefer to be alone
The world is out to get me

'Zong' (中) Autism Campaign Ad. #4: "Bullied"

I am constantly shocked and overwhelmed by my surroundings.
Please give me less pain. I just want to live peacefully.

Desperately trying to reach Humanity

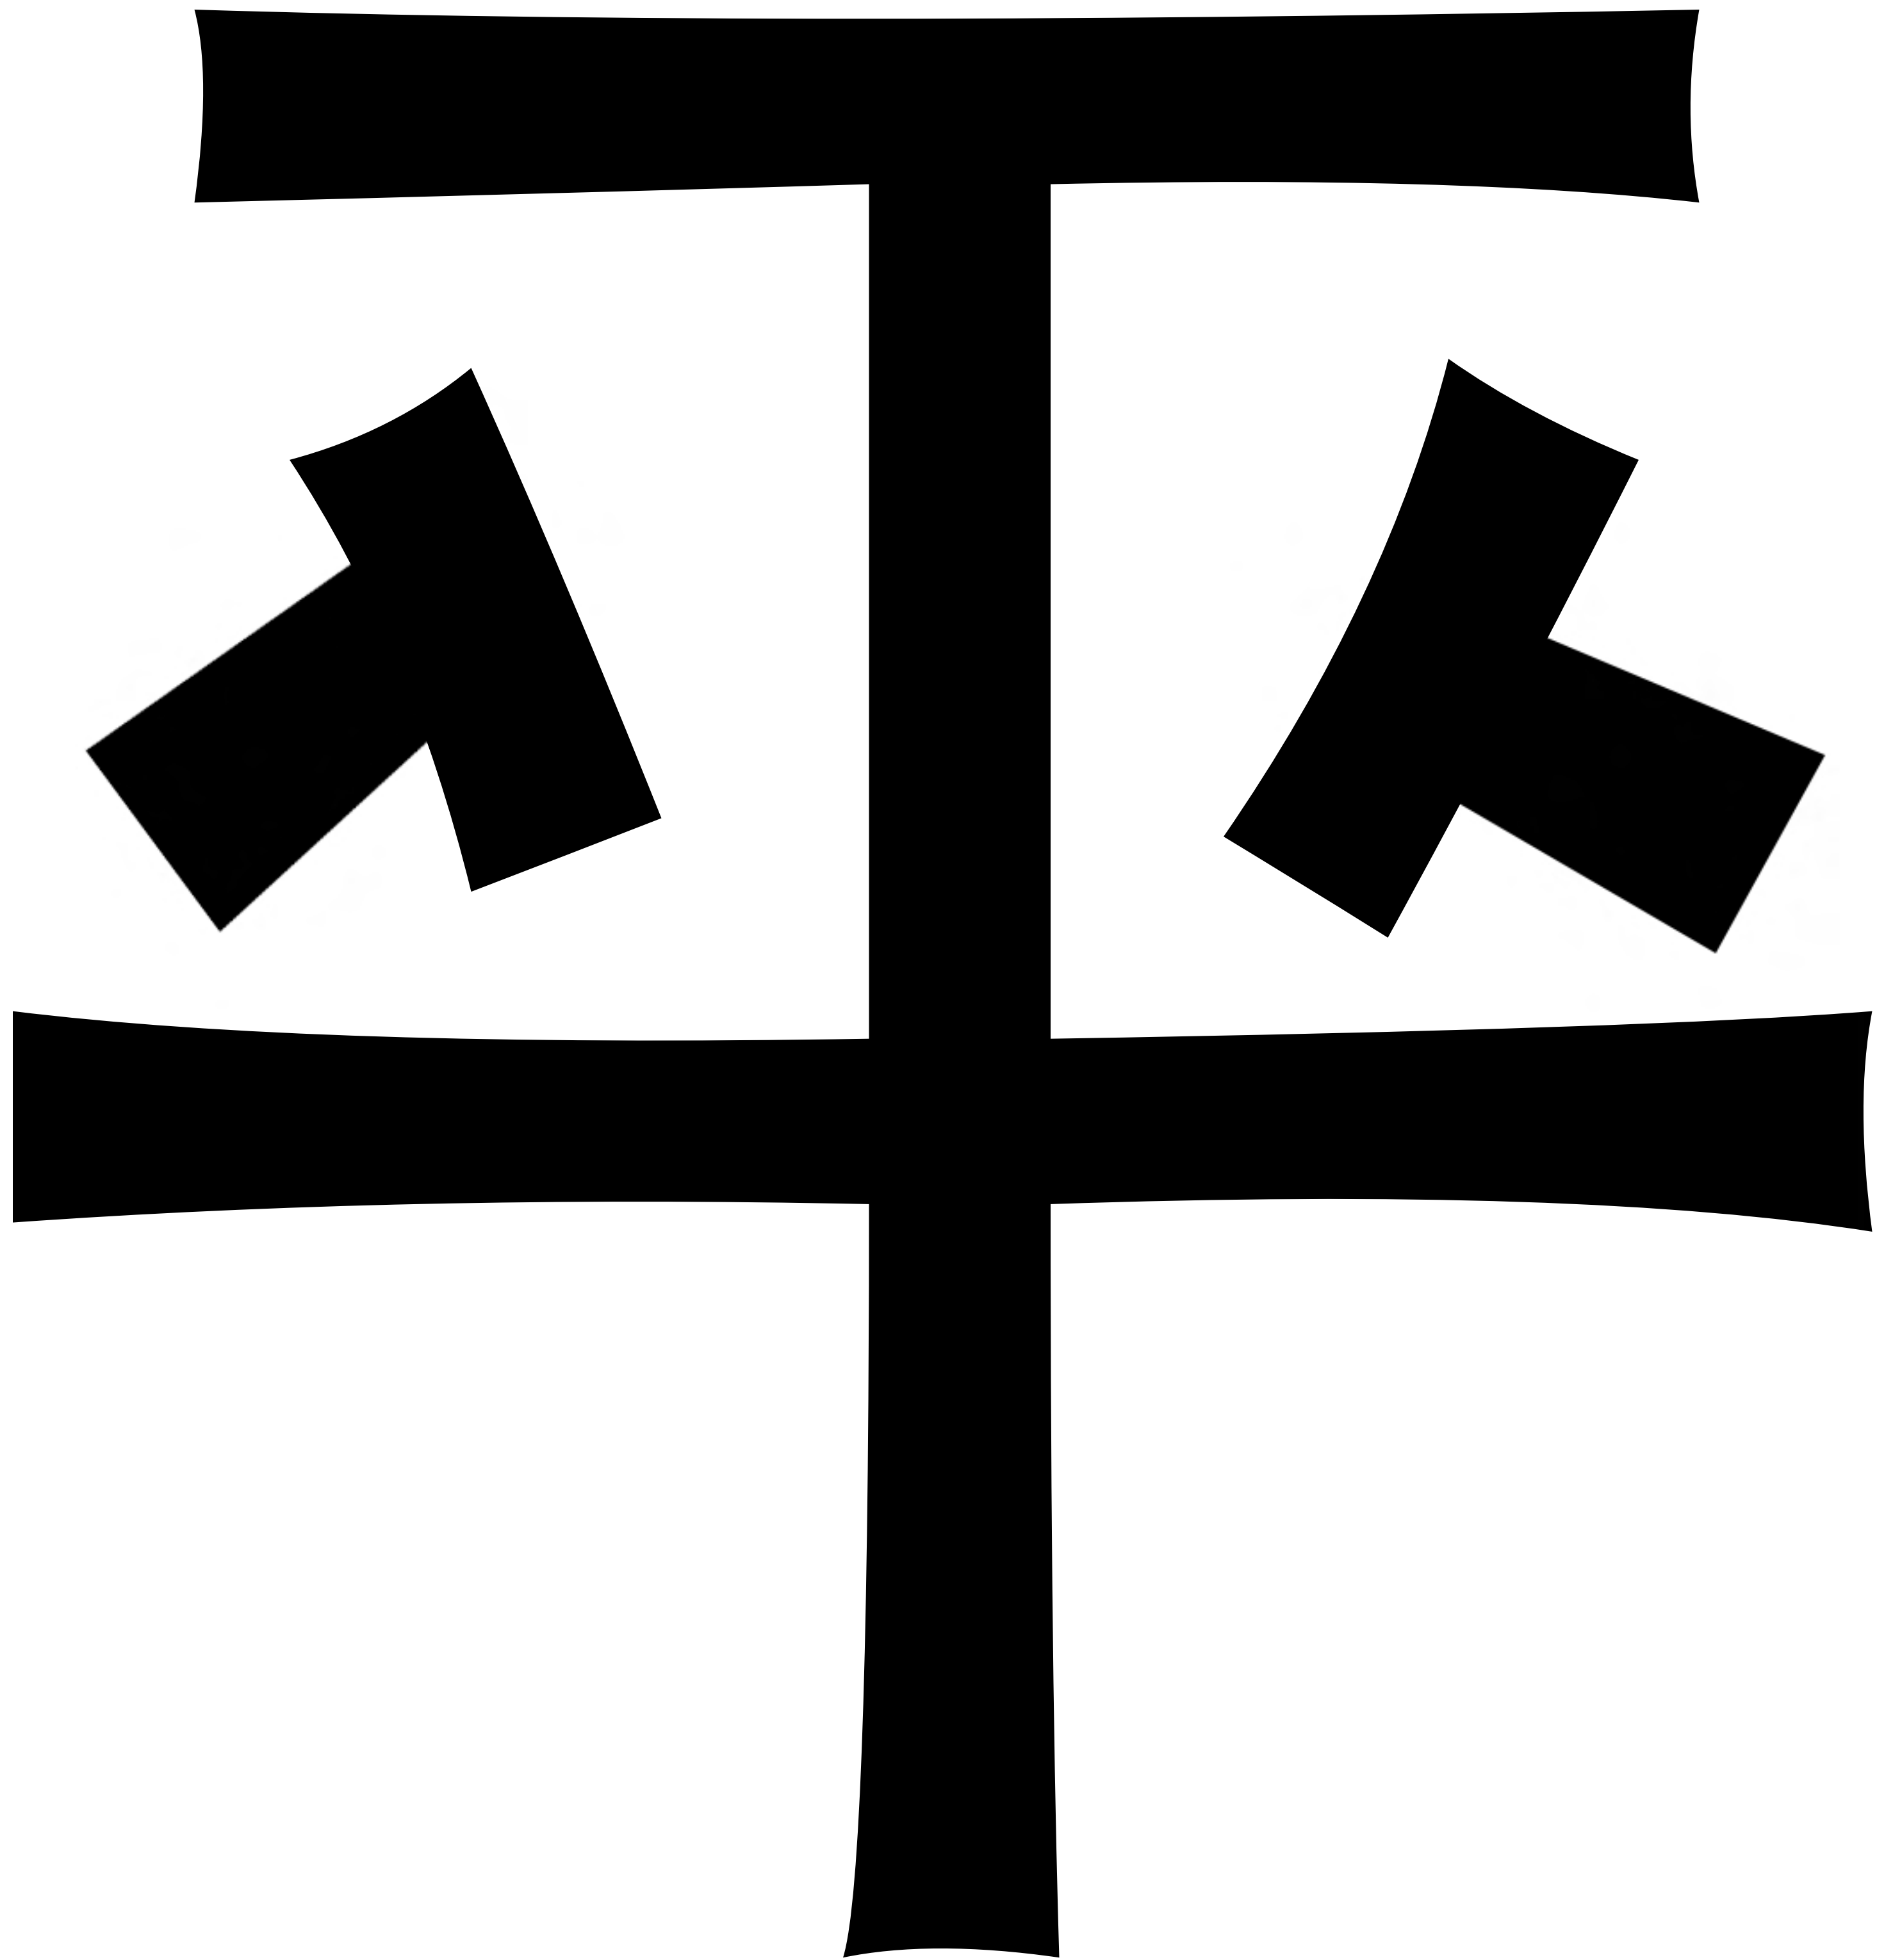

A piece of pain & suffering

'Zong' (中) Autism Campaign Ad. #05: "Desperation"

Such a cruel world. Such a painful world. Such a dangerous world.
Why do people want me to come to such a world?

<http://iautistic.com>

I know that you are my friend
Because I trade with you

'Zong' (中) Autism Campaign Ad. #06: "Trade"

I do not understand friendships as feelings of warmth, closeness and liking.
I only know that people who trade knowledge and goods with me are good to me.

哭
人

Sorry, I have no time to cry

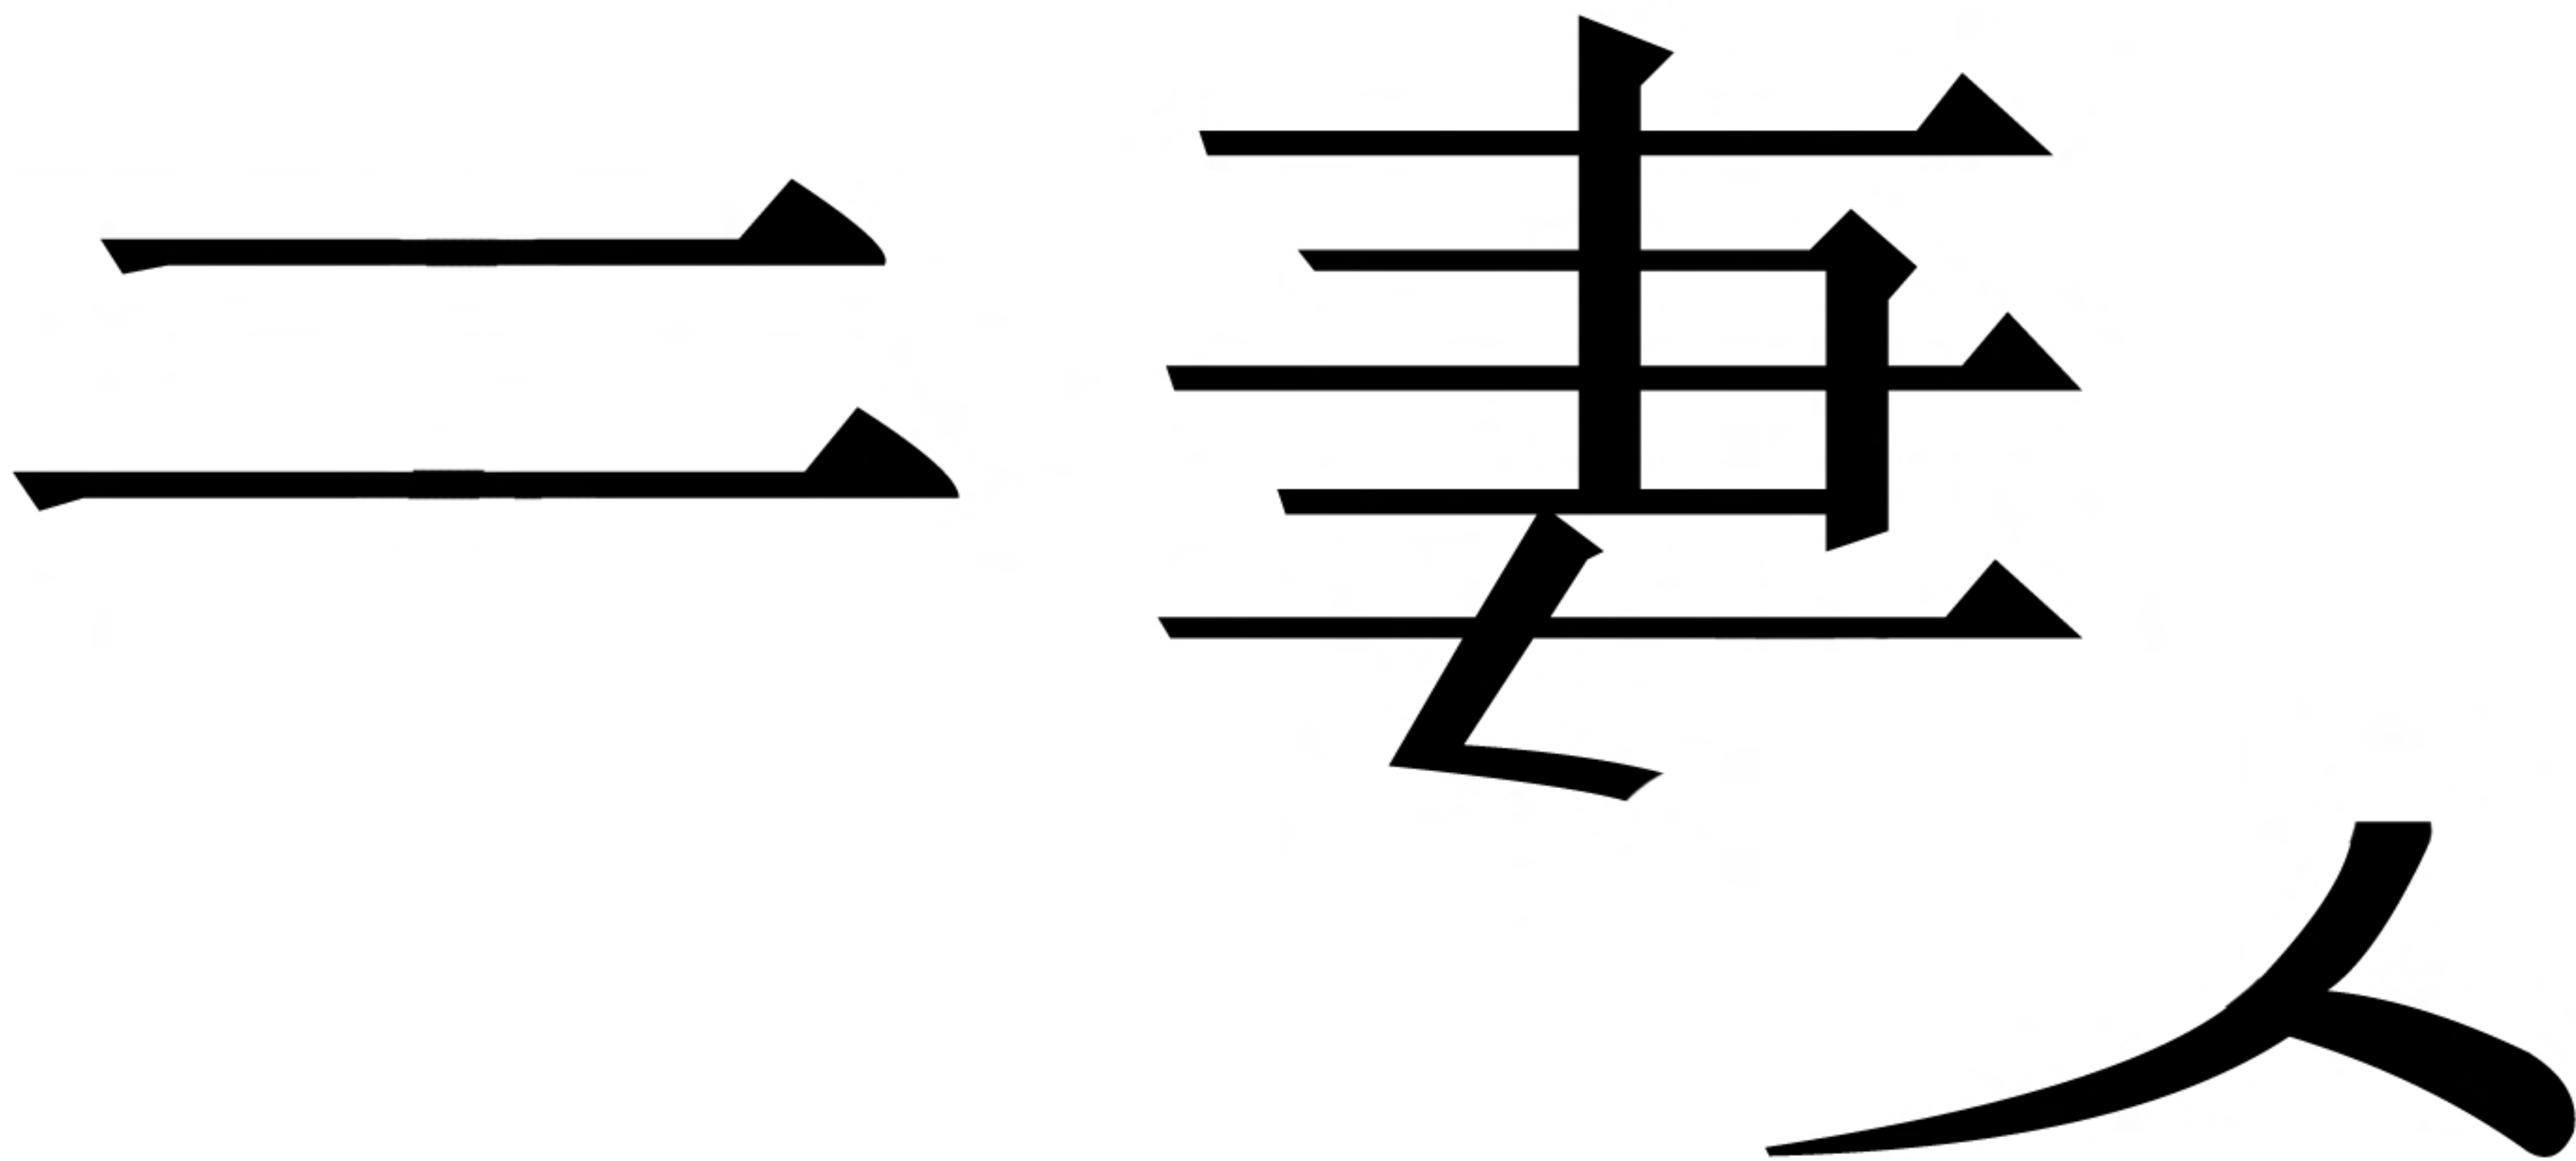

Pain
疼

'Zong' (中) Autism Campaign Ad. #07: "Crying"

I felt pain, but why should I cry?
I had far more important things to do, like studying science books in the library.

Why do humans value relationships
so highly?

Marriage is a mystery,
like all human customs

'Zong' (中) Autism Campaign Ad. #08: "Marriage"

People find meaning in other people.
I find meaning in the pursuit of my hobbies and knowledge.

天

地球

I want to go home

'Zong' (中) Autism Campaign Ad. #09: "Home"

I am a stranger here. I don't belong to this world. I don't live on this planet.
I come from somewhere else, far far away.

<http://iautistic.com>

走

走走走走走走走走走走走走走走走走走走走走走走走走走走走走

Go away! Don't interrupt!

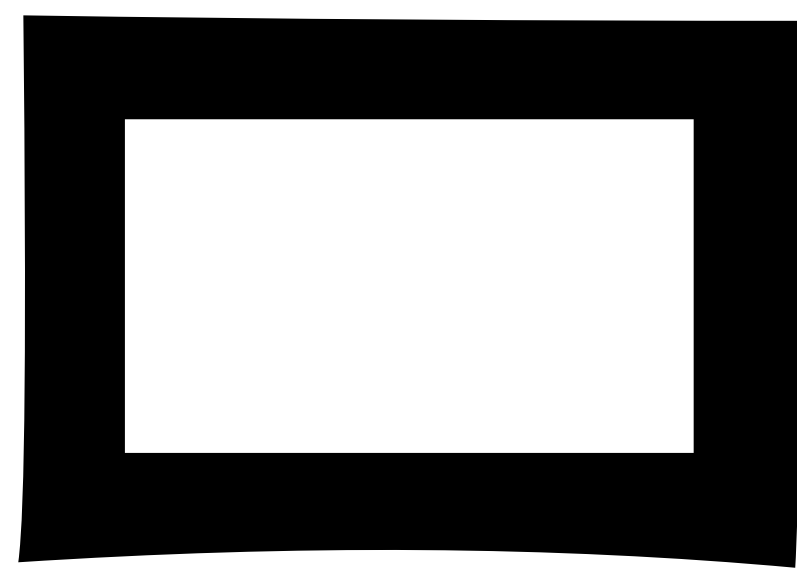

Once I start,
I can't stop.

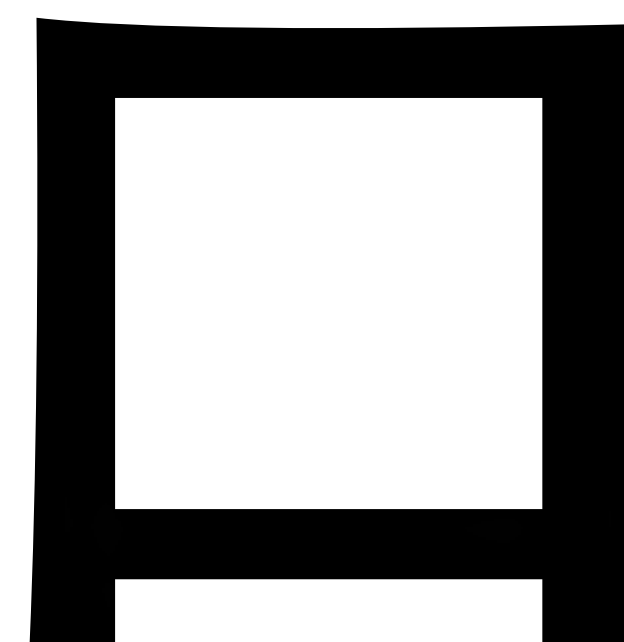

'Zong' (中) Autism Campaign Ad. #10: "Unstoppable"

Let me finish what I have to say. Let me finish what I need to do.
For I can never rest until everything is done.

Ideas & Knowledge

Personal Life

Social relationships

'Zong' (中) Autism Campaign Ad. #11: "Speech"

I was eloquent with ideas, somewhat expressive about my personal life and silted with my social relationships. Why? I can't even handle myself, let alone other people.

美

女

Fermat's Last Theorem
is more beautiful
than any girl

知

'Zong' (中) Autism Campaign Ad. #12: "Beauty"

I could not understand why other people fall in love (with each other).
Neither could they understand why I fall in love (with knowledge).

<http://iAutistic.com>

世

You won't find me in this universe

'Zong' (中) Autism Campaign Ad. #13: "Absent"

People found that I was not looking at them when they talk to me.
I am not speaking to people, because I could not see them as people.

<http://iautistic.com>

性 人

Whoops, sorry.

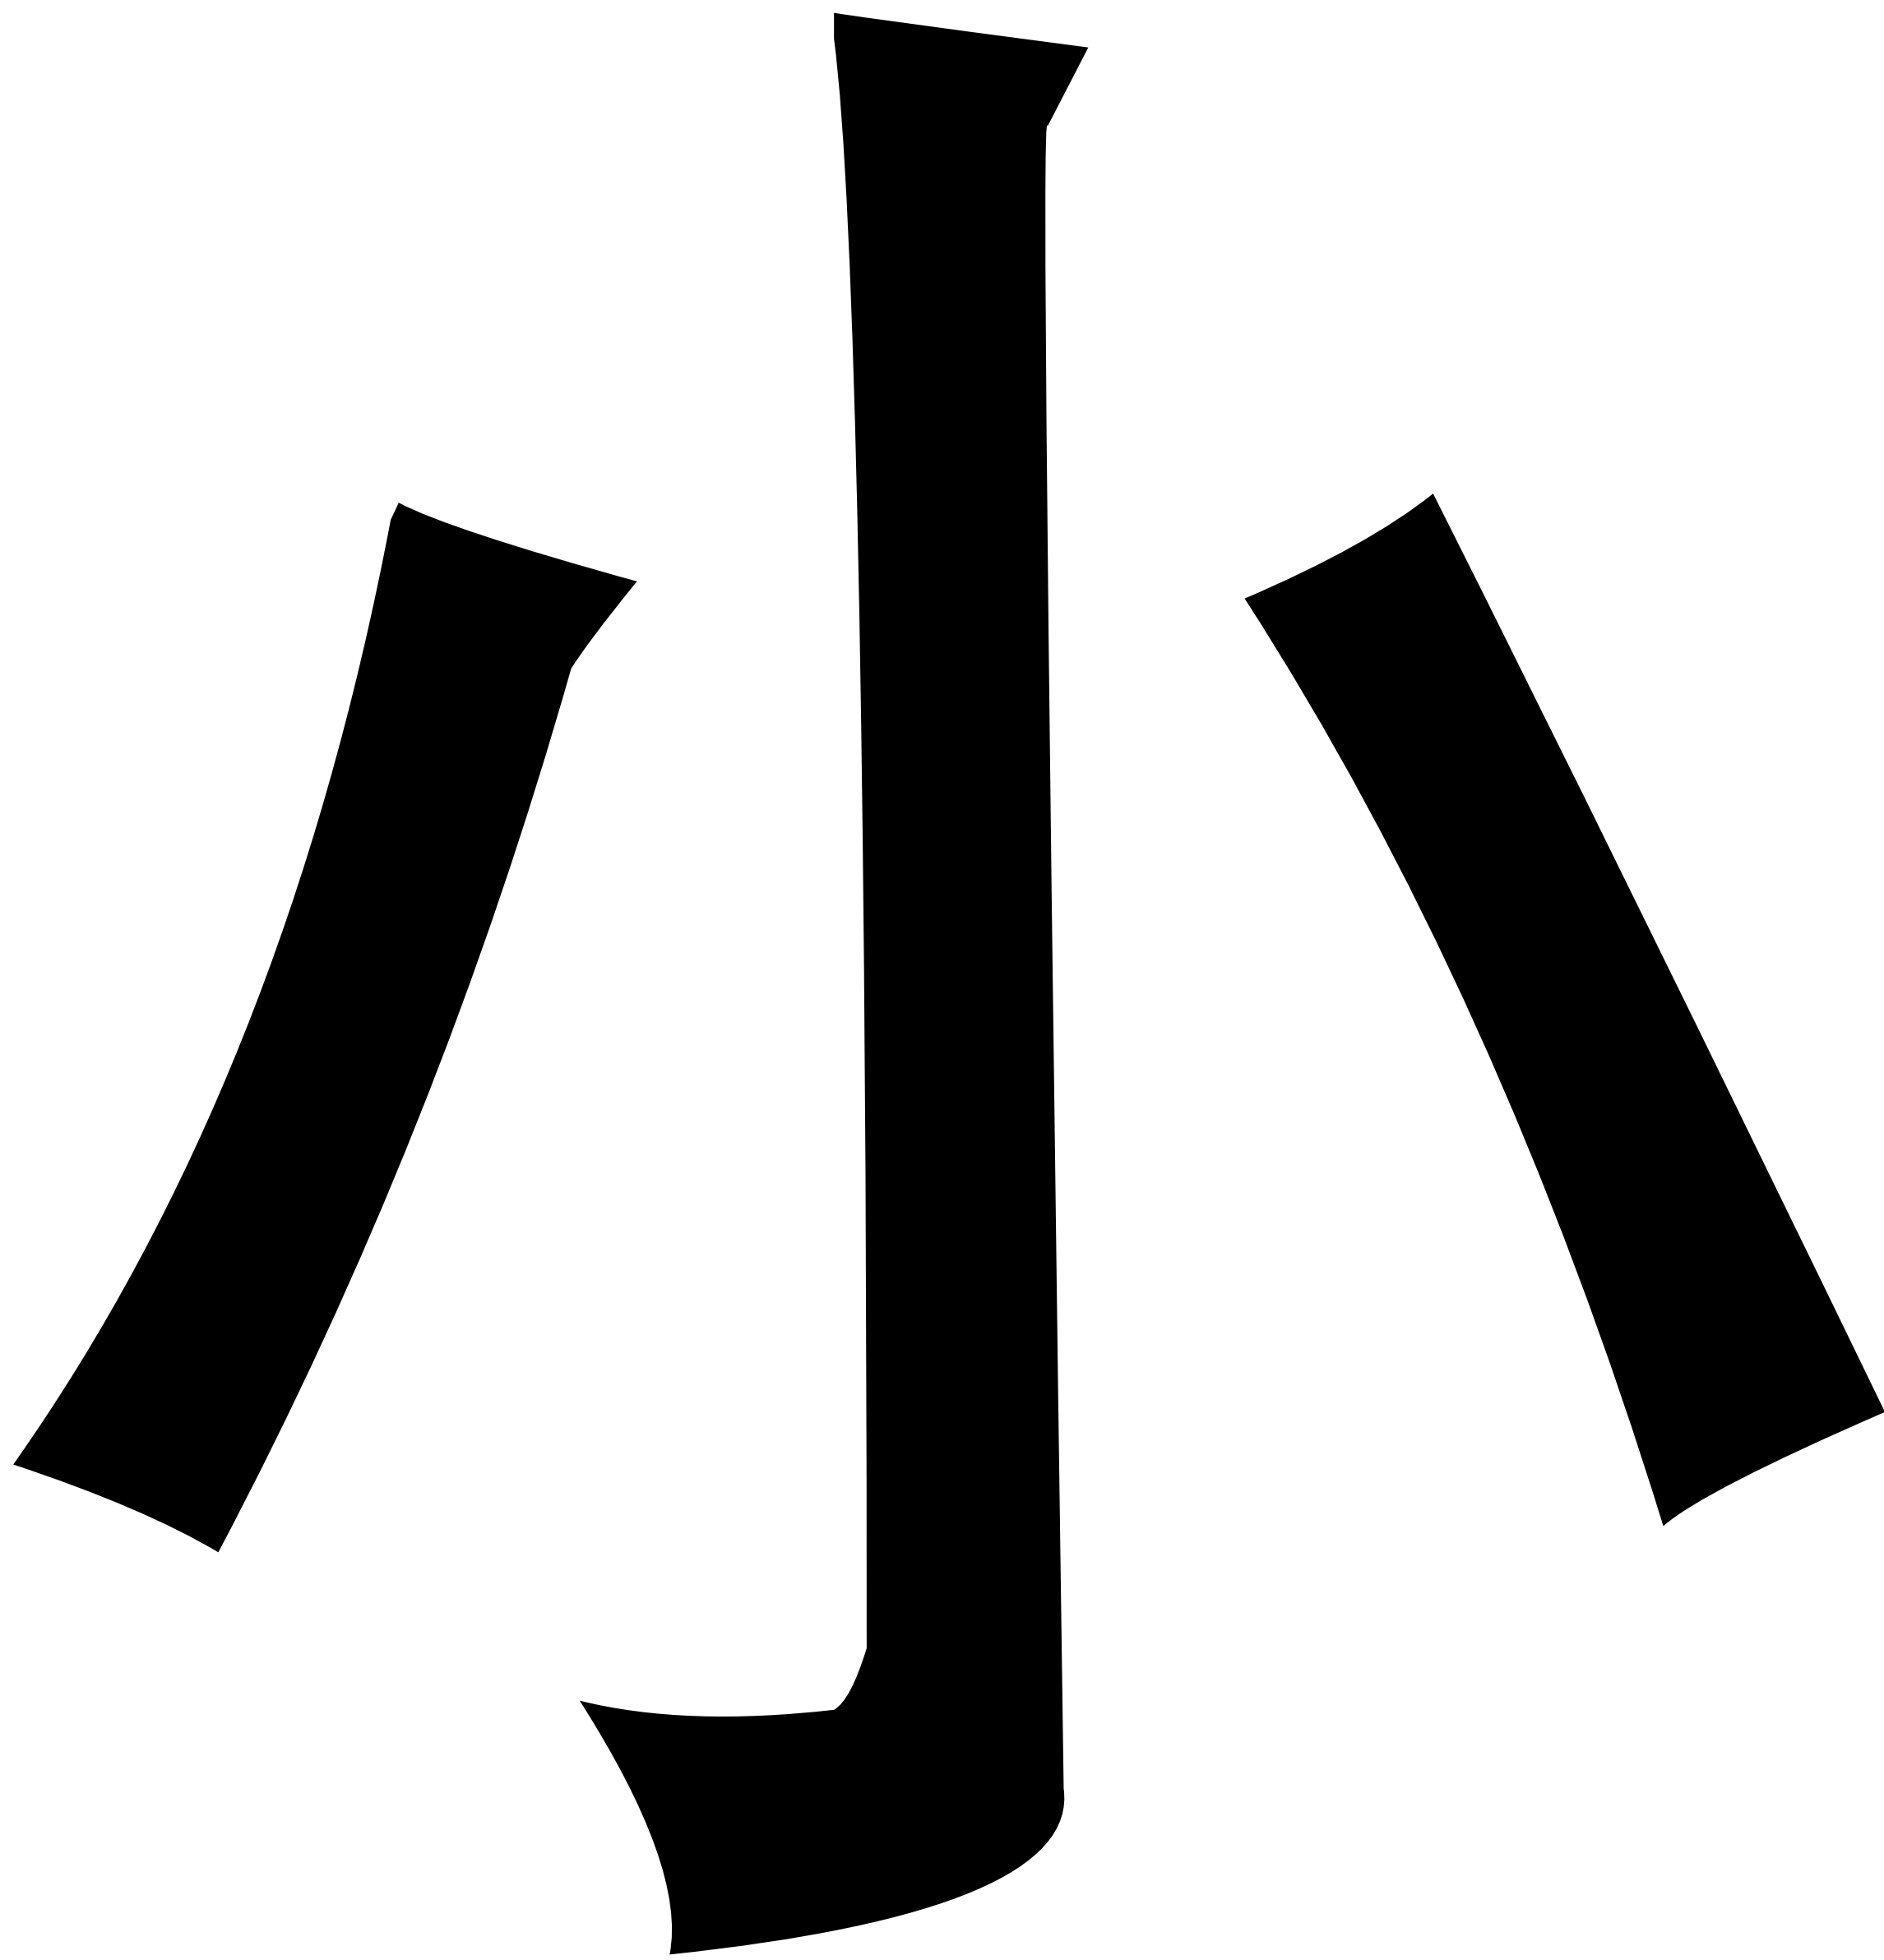

I am not unfriendly
Just clumsy with people

'Zong' (中) Autism Campaign Ad. #14: "Oddball"

As an autistic I was very clumsy. I could not pour water without spilling. Neither could I hold an informal conversation without messing up. People did not understand.

<http://iautistic.com>

How can I stop losing things
when I have already lost my heart?

'Zong' (中) Autism Campaign Ad. #15: "Lost"

People always told me to be careful. I could not.
Without feelings & instincts to guide me, how could I?

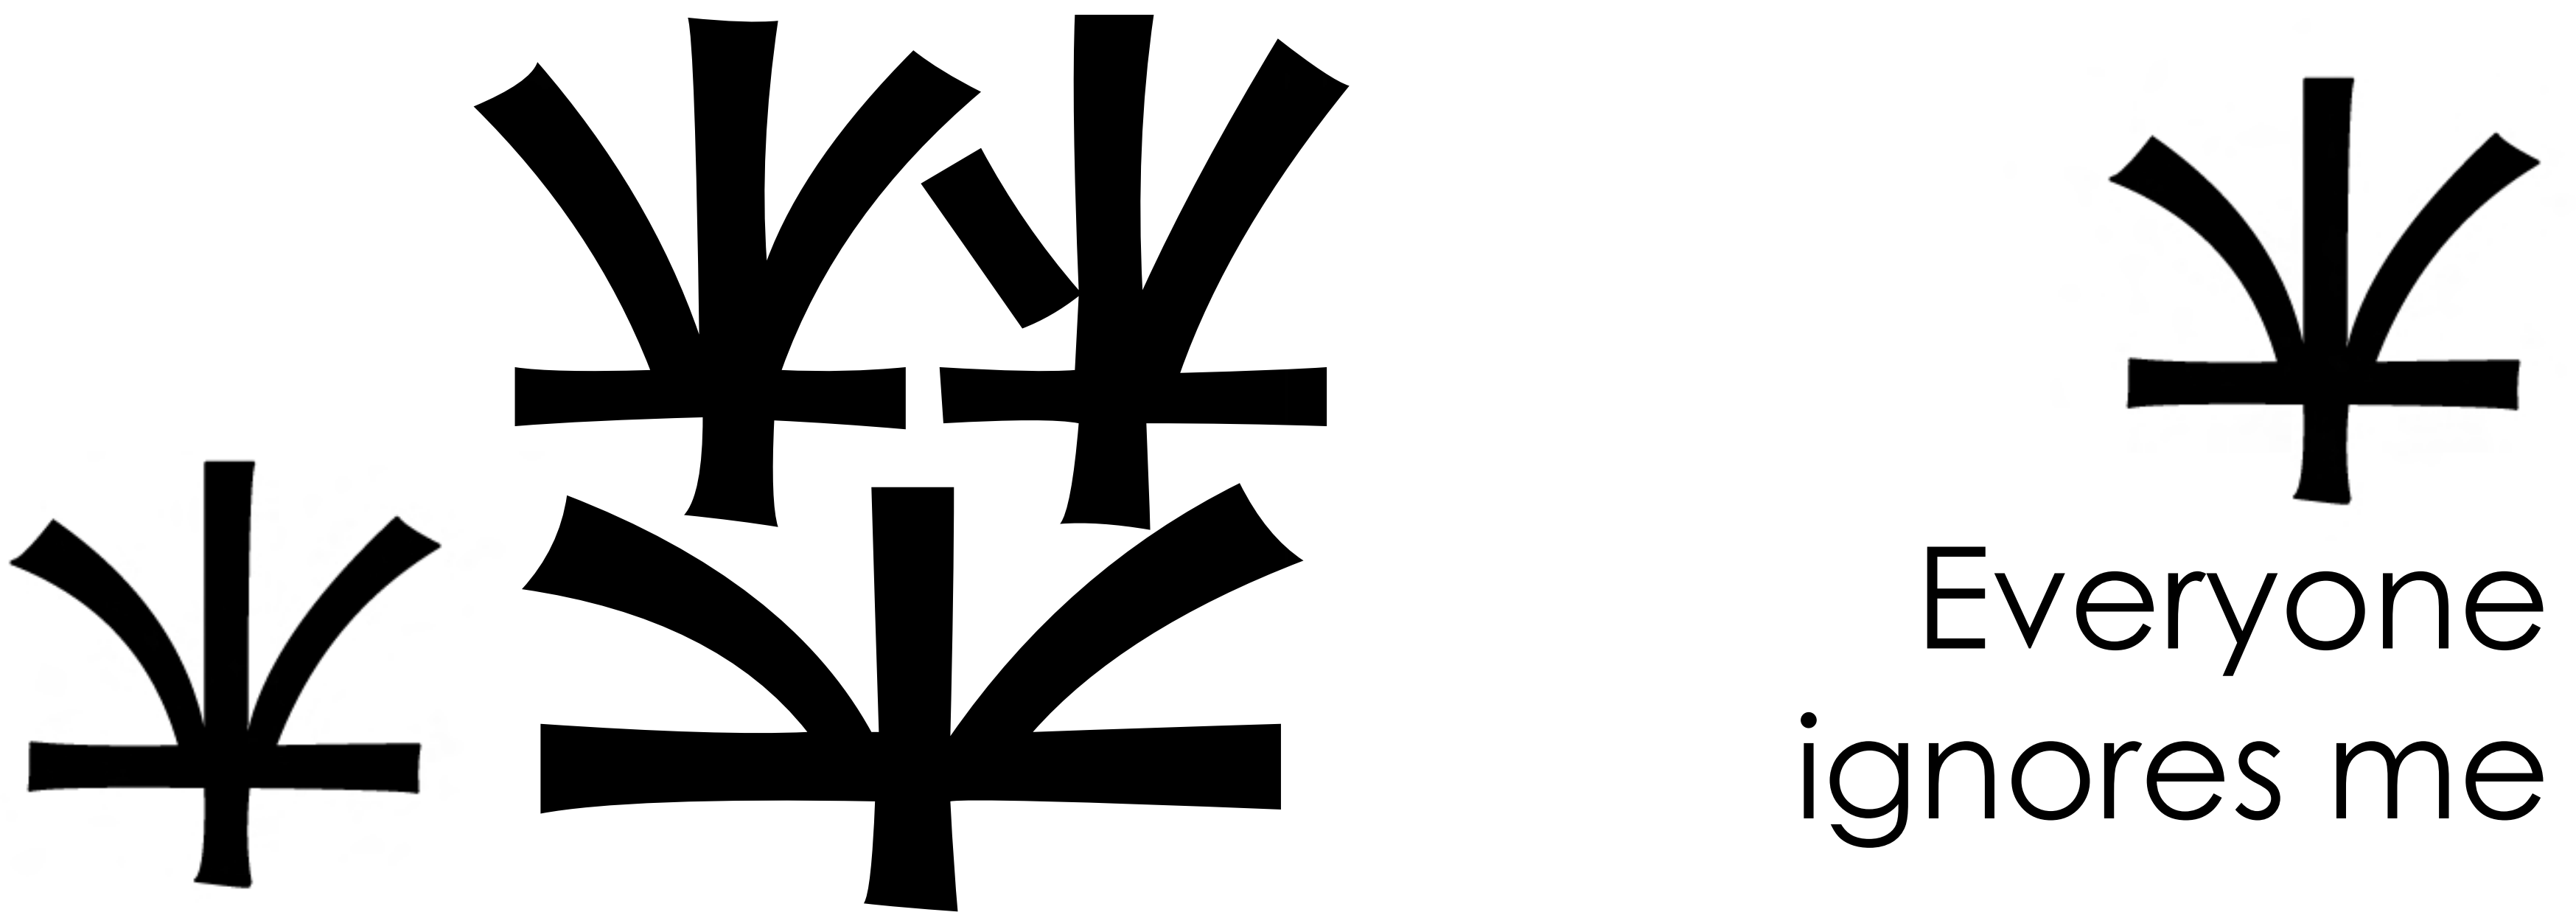

<http://iAutistic.com>

木

I am useless

林

Even if I shout twice as loud,
twice as long, and twice as hard

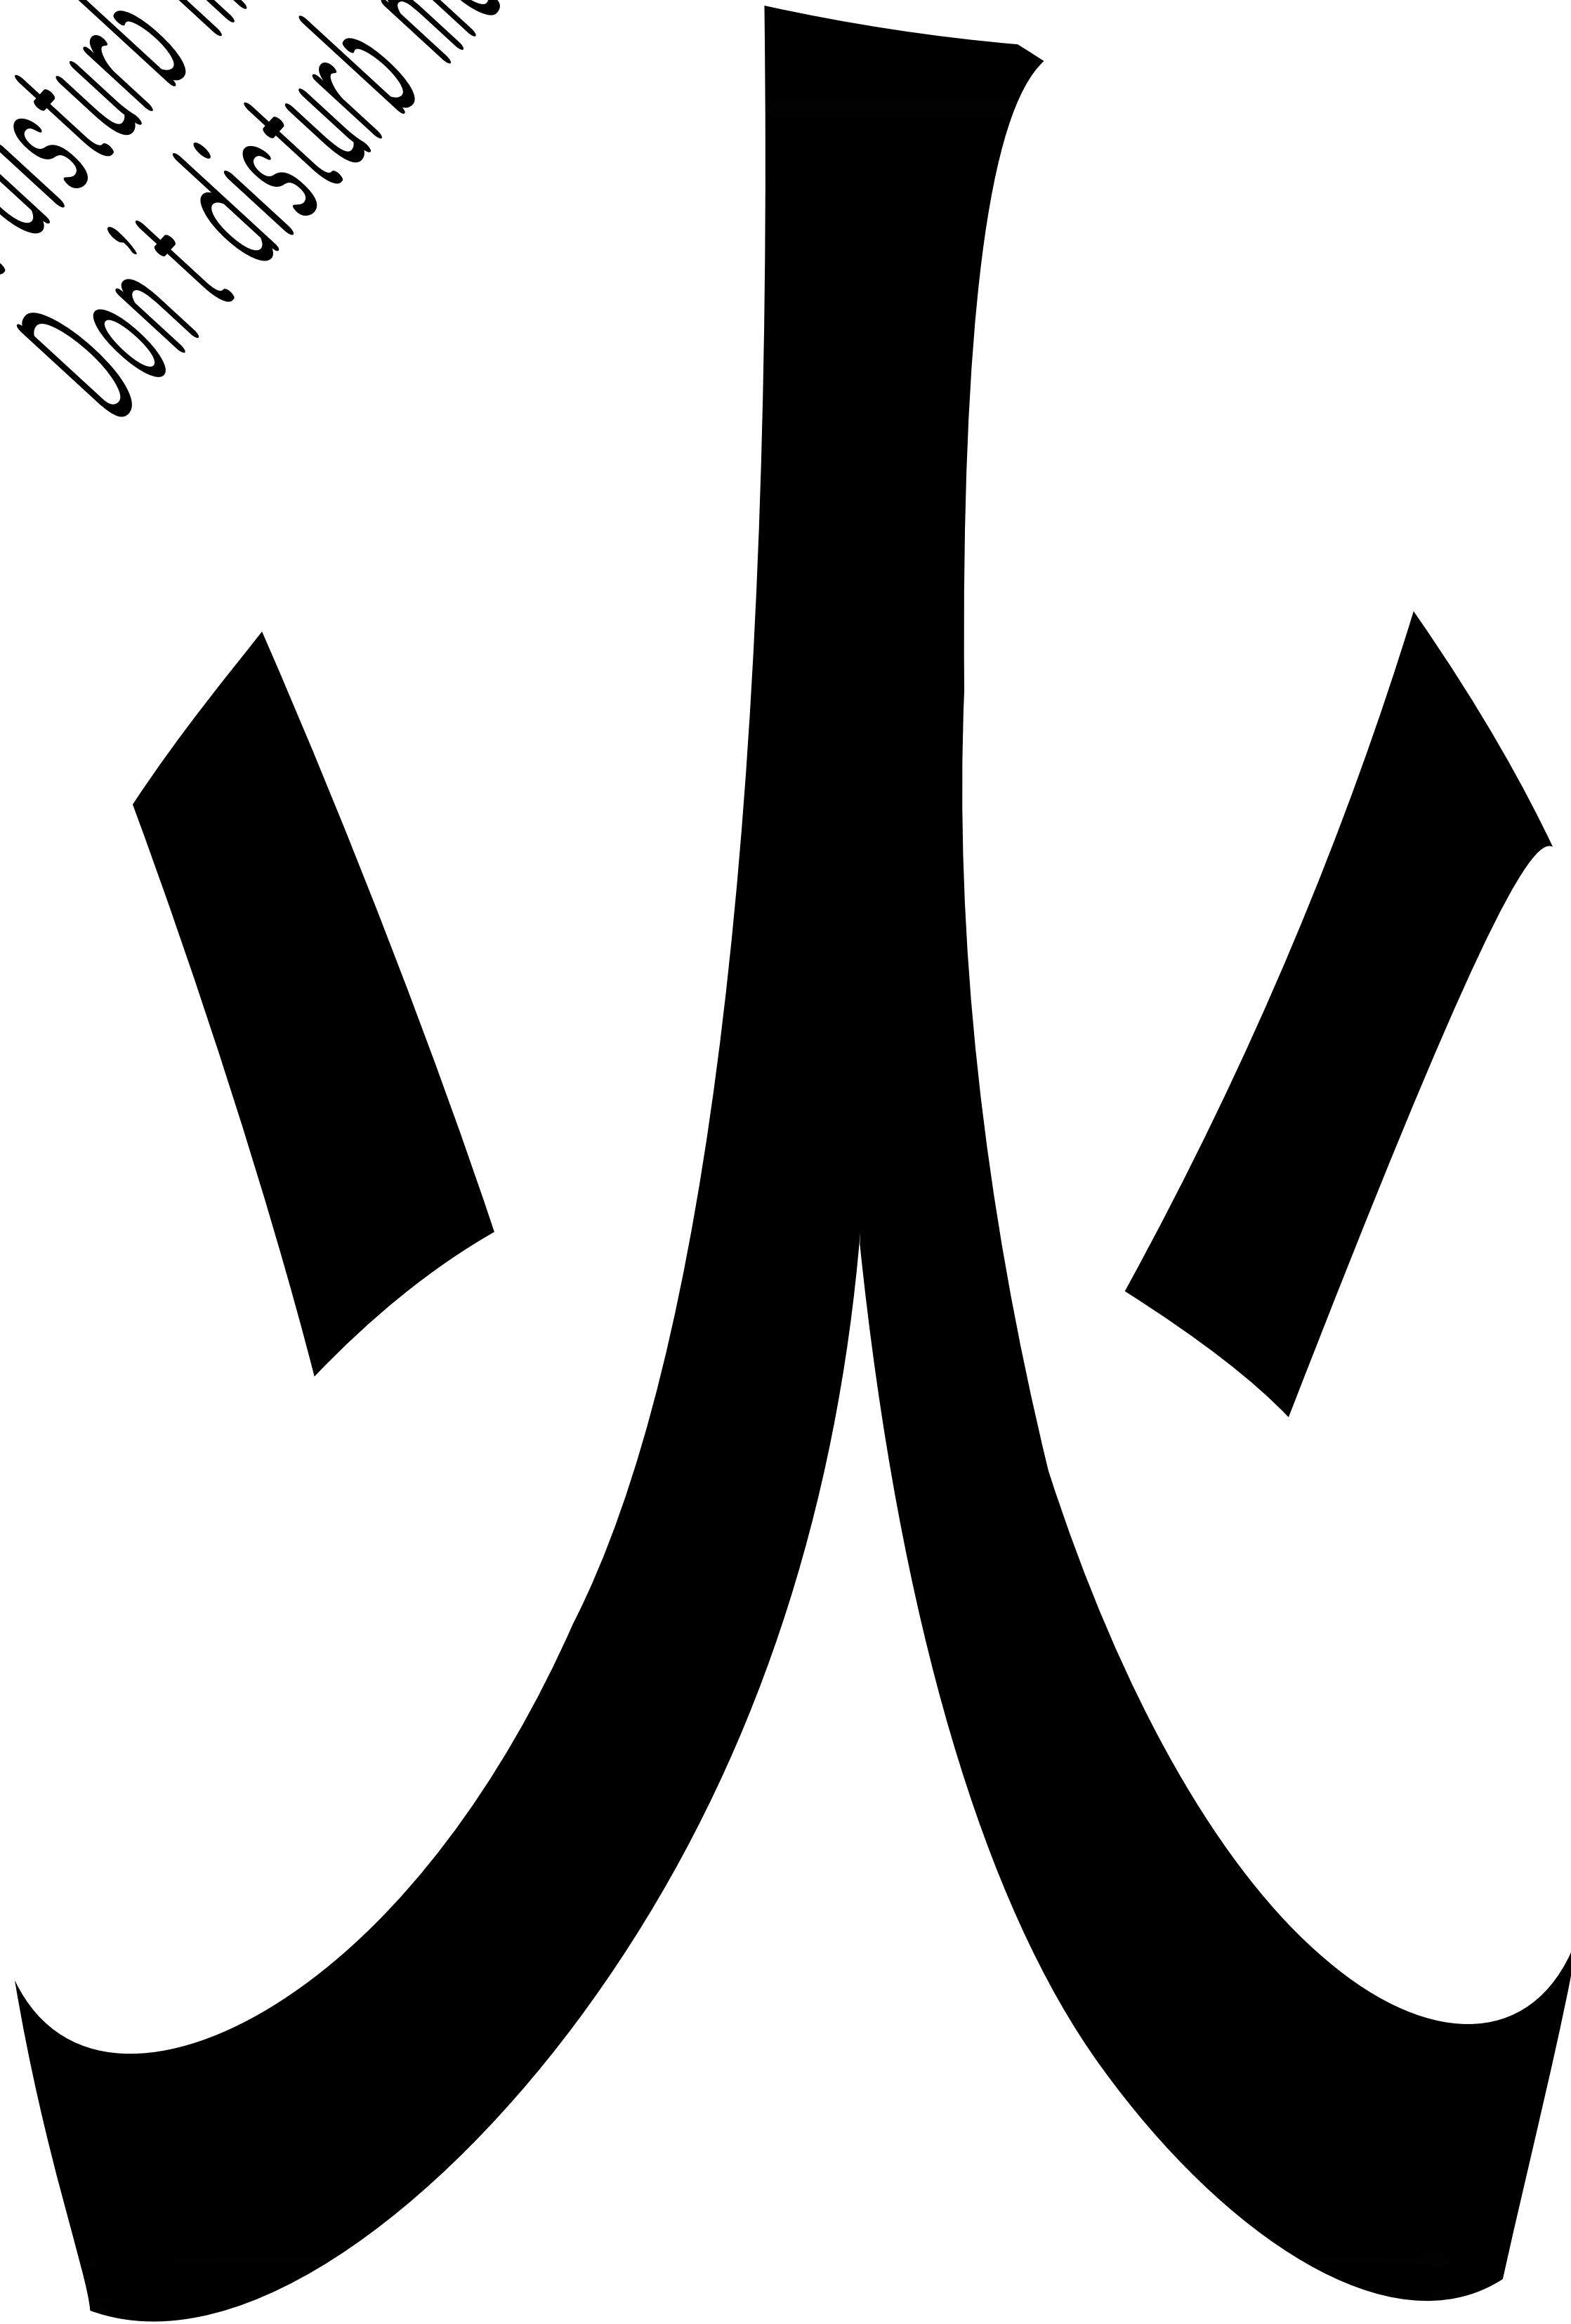

'Zong' (中) Autism Campaign Ad. #16: "Ignored"

People insisted on doing odd things that I found totally senseless and illogical. When I tried to correct their wrongdoings using logic, they get upset and ignore me.

<http://iautistic.com>

Don't disturb me
Don't disturb me
Don't disturb me

My emotions may explode

'Zong' (中) Autism Campaign Ad. #17: "Explosion"

I am overwhelmed. Everyone is presurring me to hurry or do what they want.
My face looks calm, but I am storing my anxiety & frustration within me. When will I explode?

<http://iAutistic.com>

我不同意

I can't agree

I can only persist

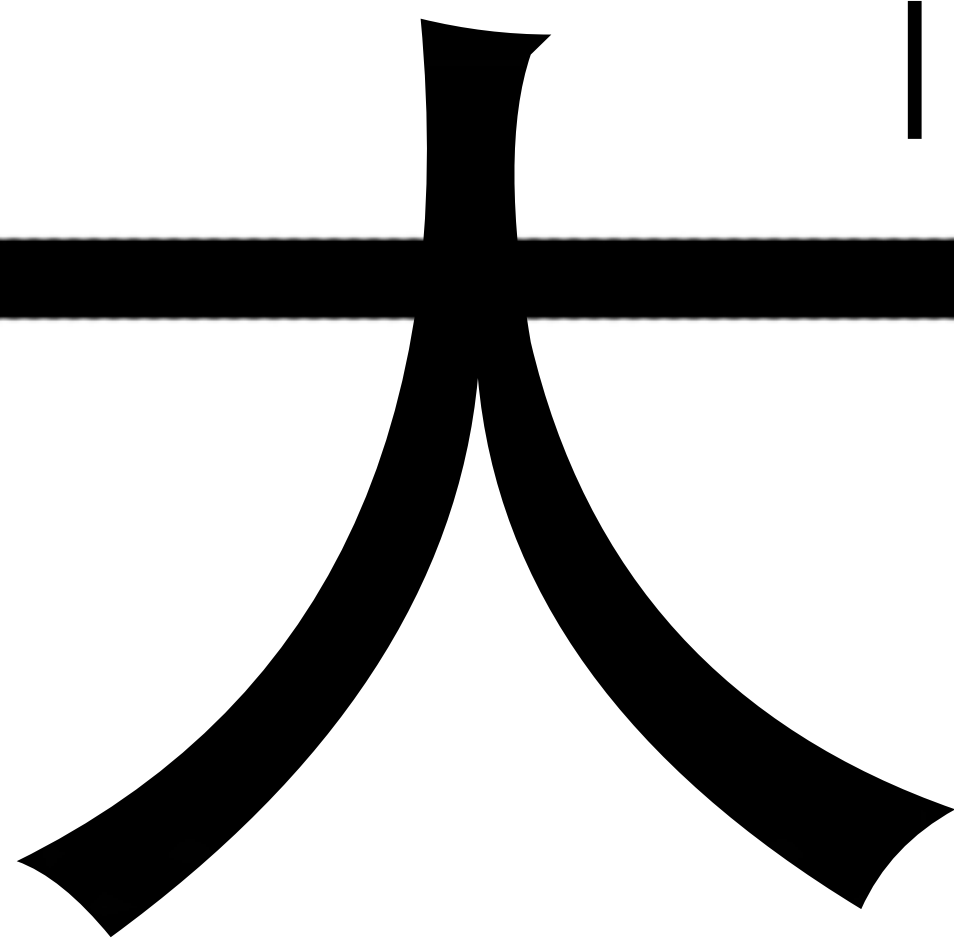

'Zong' (中) Autism Campaign Ad. #18: "Persistence"

I stood my ground firmly. Why should I compromise?
If you disagree, then you did not understand. I can only do my best to insist.

<http://iautistic.com>

I am everything

That's why
they say I am selfish

'Zong' (中) Autism Campaign Ad. #19: "Everything"

The world and I are one. There is no difference between me and everyone else.
I do not understand why people perceive things differently and disagree with me.

<http://iAutistic.com>

人 + 人 = 众

Is this how humans work?

$E = \pm MC^2$

If only humans are that simple

'Zong' (中) Autism Campaign Ad. #20: "Formula"

No matter how much I tried to figure people out, they elude me.
It was far easier to study science and computers than humans.
